

## Student Grant Application Form

Dear Aspiring Artists,

We're delighted to welcome you to the application process for the JLLOOPPAA Student Grants Program. Our mission is to nurture young talent and passion in Music, Art, Theater, and Dance. With these grants, we aim to provide additional support for your artistic pursuits that your schools or communities may not regularly provide.

The Tanya Ellis Music Grant, Joanie Hanson for Art, and Joia Bear Grant for Theater/Dance are worth \$500 each. These funds are designed to cover costs associated with lessons, workshops, supplies, and other expenses to help you excel in your chosen art form.

Remember, this is not just about financial support; it's about recognizing talent and dedication in our youth and helping to foster a future where those who love the arts can continue to learn, grow, and thrive.

We encourage you to take this opportunity and apply if you have a burning desire to refine your artistic skills and make your mark. It's your chance to tell us about your passion and dreams and how this grant can help you achieve them.

Please take the time to carefully read through the application form and fill it out in detail. All information about the submission and review process, deadlines, and terms of the grant are included in the form. If you have any questions, don't hesitate to contact us.

We look forward to learning about you, your aspirations, and your passion for the arts. Best of luck with your application!

With warm regards,

Janet Hunt  
Executive Director  
JLLOOPPAA Grant Committee

We understand that not all deserving applicants can be selected in a single grant cycle. The JLLOOPPAA Student Grants Program encourages continued growth and development in the arts, and therefore, we invite unsuccessful applicants to consider reapplying in future rounds.

Applicants who wish to reapply should review their previous submissions and consider any feedback from the grant committee. The aim should be to demonstrate progress, further dedication, or new accomplishments in your chosen art form.

Each submission must be original and updated to reflect your recent experiences and achievements. Past applications will not be automatically considered for new rounds of grant consideration, and therefore a new submission is required for each application cycle.

We aim to support as many promising young artists as possible. We hope that even if you are unsuccessful in a particular round, you will take the opportunity to grow and refine your skills and come back stronger for the next one. We look forward to your talent evolving and shining in the art world.

Please note that by submitting this application, you acknowledge that you understand and agree to these terms.

I hereby declare that all the information provided in this application is accurate and truthful to the best of my knowledge.
